The Sisters of Saint Francis Clinton, Iowa, writes under the date of January 21, 1899, about six months ago a very reverend clergyman recommended Regan's Rheumatism Remedy to us as one of our sisters was a severe sufferer from rheumatism of over three years duration. After she had used one bottle of the remedy we are pleased to say she was entirely cured. We therefore cheerfully recommend this wonderful remedy to

Obstinate sores and ulcers, which refuse to heal under ordinary treatment, soon become chronic and deep-seated, and lead to conditions most serious. They are caused in different ways, but in every case the blood is involved, and no amount of local treatment can have any effect. The poison must be eliminated from the blood before a cure can be had.

THROWN FROM A HORSE.
Mr. H. Kuhn, of Marion, Kansas, writes: "About three years ago my grand daughter, the Whitwell, was thrown from a horse, receiving a wound of the scalp. Though under the treatment of physicians for several months the wound remained about the same, until it finally became very angry-looking and broke out into a running sore. This soon spread to other parts of the scalp and ran down the side of the head, increasing in severity and fearfully disfiguring her. She was then placed in the care of the faculty of a well-known hospital, but even the treatment she received there failed to arrest the terrible sore. Reading of the many cures of blood troubles effected by S. S. S., we decided to try it, and it relieved her promptly. In a few months she was entirely cured, and scarcely a mark now remains where the disease held full sway."

A GUNSHOT WOUND.
Capt. J. H. McElroy, the well-known distiller of Lawrenceburg, Ky., says:

"Some years ago I was shot in the left leg receiving what I considered only a slight wound. It developed into a running sore and gave me a great deal of pain and inconvenience. I was treated by many doctors and took a number of blood remedies, but none did me any good and did not seem to check the progress of the sore. I had heard of S. S. S. and decided to give it a trial, and the result was very gratifying. S. S. S. seemed to get right at the trouble, and forced the poison out of my blood. Such afterwards the sore healed up and was cured sound and well. I am sure S. S. S. is by far the best blood remedy made."

It matters not how they are acquired or what treatment has failed, S. S. S. will cure the most obstinate, deep-seated sore or ulcer. It is useless to expect local treatment of sores, ulcers, etc., to effect a cure, because they can not reach the real cause of the trouble, which is the blood. S. S. S. drives out every trace of impurity in the blood and in this way cures permanently the worst cases. It is the only blood remedy guaranteed

Cherryvale Clarion: It is tough on a fool to live in a prosperous community and have some of the good things fall his way. An Iola man accumulated a \$1,000 and blew it in on a spurious patent nutmeg grater.

Mr. Elisha Berry, of this place, says he never had anything do him so much good and give such quick relief from rheumatism as Chamberlain's Pain Balm. He was bothered greatly with shooting pains from hip to knee until he used this liniment, which affords prompt relief.—B. F. Baker, St. Paul, Ohio. For sale by Campbell & Burrell.

The barbers of Iola are having a nice time. One can easily remember when Jimmy Herschberger and Brock Reed were the whole thing. Two more are now reported as about to cut the shaving price and shave down the cutting price and there is a merry war promised.

Bright's disease is more dreaded by physicians than any of the serious disorders with which they have to deal, because of its insidious and malignant character. If prompt action were taken when headaches, urinary disorders, digestive troubles first appear much suffering and sorrow would be averted. Prickly Ash Bitters will quickly stop the disease, quiet the inflammation, heal the kidneys and bladder, strengthen and regulate the liver, and drive poisons and impurities out of the system by cleaning the bowels. Sold by Chas. B. Spencer & Co.
